

# Club Meadows

What is Club Meadows?

It's a casual, social gathering where people hang out and talk history.

This sounds great!  
How do I join?

If you belong to The Meadows Foundation, or any historical organization in Franklin Township, you are already a member! If you do not, just come to a meet and you can join The Meadows when you arrive. There is no age limit, but minors must be accompanied by an adult. (Individual/family memberships are \$10-\$20 per year.)

What do they talk about?

Whatever they want – the members who come choose the topics. Books, movies, news items, objects, people, places, events and myths are just a few ideas. If someone is curious about something, they can ask the group what they know.

When do they meet?

They meet the second Wednesday of each month, 6:30-8:30 PM. The locations go out in an email, and are posted on the calendar of The Meadows' website, [TheMeadowsFoundation.org](http://TheMeadowsFoundation.org). You may email [tmf.org.1289@gmail.com](mailto:tmf.org.1289@gmail.com) and request to be put on the email list.

Is there food and drinks?

Nothing is provided, except a historic location (and bathrooms!). Members are welcome to brown-bag whatever they wish.

Fantastic!  
Count me in!

Me too!!

Me three!!!
